Gym Rules:

- No food or drink for spectators in the gyms; players and coaches are allowed drinks only.
- Our staff will not engage in debates; they will notify management to address any issues with the relevant team/club.
- We must maintain gym access, and facilities are closely monitoring us.
- Teams must clean the bench area after each game.
- All gyms have cameras, and we will review footage if necessary.

Please cooperate with these rules to help us keep our gym access.

Berating or heckling officials will not be tolerated. We value our officials and will ensure their continued availability. The same goes for our admissions and clock workers.

Our tournaments aim to provide competitive games for teams. We use coaches' information and past tournaments to place teams appropriately for their development. Our 4-game tournaments do not offer T-shirts or medals. However, our 3+ game tournaments, which include pool play and bracket play, will be awarded champions with t-shirts, medals, or other prizes.

We understand that teams may occasionally need to include younger players to complete rosters for older teams. We request that teams maintain the same roster of players from the beginning to the end of a specific tournament. Players should only be added during the tournament in cases of injury, and not for competitive advantages.

Thank you for your continued support and we look forward to a great year!
